LORD WE LIFT

written by Dan Parks

Lord, we lift our voices up, it's the least that we can do

Lord, we lift our voices up to you

There are no words to express my humble thankfulness

For all you've given to me beyond compare

But I can give back to you the one thing you request

So here's my life, and the gift that I can share

Lord, we lift our voices up, it's the least that we can do

Lord, we lift our voices up to you

Lord, we lift our voices up to express our gratitude

Lord, we lift our voices up to you

Lord, we lift our voices up, it's the least that we can do

Lord, we lift our voices up to you

Lord, we lift our voices up to express our gratitude

Lord, we lift our voices up to you
