MIGHTY COUNSELOR

written by Dan Parks

Na, na, na, na, na, na, na, na, na

Na, na, na, na, na, na, na, na, na

Last night I had a dream

The world it seemed had come to an end

But, you were there right between the clouds

My faithful forever friend

There were armies against you

I saw them stumble and fall

I had to lift my hands and say

Mighty counselor, awesome Prince of Peace

I believe you died and rose to set the captives free

Mighty counselor, awesome Prince of Peace

I'm amazed someone like you could love someone like me

Sometimes I'm on shaky ground

Although you've found me, I'm still finding you

And though your light cuts the darkness

It's still a dark glass I'm seein' through

When I rise up to meet you

I want to hear you say

I want to hear you say, "Well done"

Mighty counselor, awesome Prince of Peace

I believe you died and rose to set the captives free

(free, free, free)

Mighty counselor, awesome Prince of Peace

I'm amazed someone like you, could love someone like me

Mighty counselor, awesome Prince of Peace

I believe you died and rose to set the captives free

Mighty counselor, awesome Prince of Peace

I'm amazed someone like you could love someone like me
