THERE WAS A TIME

written by Terry Parks

There was a time when you were my darling

Your heart was all mine

You loved me tenderly

I was your man, you were my lady

Never thought I'd ever see

There'd come a time you didn't want me

Hm-mm-mm

Hm-mm-mm

There was a time our days flowed like a river

And life was so fine, we laughed constantly

I was so sure you'd always be there

Blind with love I didn't see

There'd come a time when you'd leave me

And when we were as one

My heart was always singing (ah-ah-ah)

Time with you was a gift every day

Now those years are gone

Memories keep bringing

Thoughts of times that passed

Love that didn't last

There was a time we said our vows together

These rings were a sign we'd keep them faithfully

I never dreamed your heart would ever wander

Couldn't imagine that I'd see

There'd come a time you didn't love me

Now is a time I thought could never be

Hm-mm-mm
